Election Process for 2019 USAC-Elected Recertification

For those carriers electing to have USAC perform their rolling Lifeline recertification, it is necessary to elect USAC using the online election form. The election period for USAC-elected recertification is open from July 16, 2018 to August 31, 2018. The USAC notice on this topic can be accessed at http://www.icontact-archive.com/TfWiFvrku1_Lm6RfjSIRPk3lfmdRBOSD?w=4

For 2019 USAC-elected recertification, elections will not automatically renew. If you have currently elected USAC, you will need to submit an election for 2019 during the election period.
