**GVNW CONSULTING HIRES ROBERT “BOB” KWIATKOWSKI AS  
CONSULTING MANAGER FOR SOUTHWEST DIVISION**

Kerrville, TX (January 8, 2016) – GVNW Consulting is pleased to announce beginning February 1, 2016, Robert “Bob” Kwiatkowski will join the company as a Consulting Manager. Mr. Kwiatkowski will be based out of the Southwest Division in Kerrville, Texas.

In his new position with GVNW Bob will be responsible for leading the Cost Committee to help meet the changes required by NECA, as well as advance cost study review procedures. In addition, Bob will be involved in strategic and new service planning, manage the Southwest financial team, support special projects and be a featured presenter at GVNW seminars.

“Today’s landscape for rural broadband providers is challenging to say the least. Bob’s experience and expertise, as well as the strong relationships he already has with our clients will allow him to immediately help them with their business opportunities and facilitate cost separation issues. Bob also brings GVNW a seasoned professional that will assist in fine-tuning procedures to comply with federal and state requirements. We are very proud to have Bob join GVNW and excited about what he brings to our team,” said Dana Baker – Chairman of the Board.

Prior to joining GVNW, Bob provided settlement analysis and training for the Midwest Region’s 200+ independent telephone companies and was the principal point of contact for universal service issues, cost forecasting and review, tariff interpretation and analysis, average schedule settlements, Part 32 accounting and regulatory issues for companies in the NECA’s Western Region. Prior to working at NECA, Bob was an accountant for a small non-profit book distributor. He currently holds a BS in accountancy from the University of Illinois.

Mr. Kwiatkowski will be based in GVNW’s Southwest Division office in Kerrville, Texas. He can be reached at 830.895.7227 or [bkwiatowski@gvnw.com](mailto:bkwiatowski@gvnw.com).

## **About GVNW Consulting**

GVNW Consulting is one of the leading telecommunications-consulting firms in the nation specializing in applications to enhance the delivery of telecommunications products and services to rural areas. Established in 1970, GVNW currently serves over 200 client companies around the world, both incumbent and competitive, with the majority consisting of smaller companies located in high cost rural or insular areas.
